Continued Review of Town of Bell existing ordinances

Joni's motion from last month on Ordinance 2012-2 was reconsidered. Since the Ordinance has expired it can be left as is.

Continued discussion regarding the Transient Vendor Ordinance:

Jackie Eid had some notes from the Ad Hoc Committee that was formed in 2014 to review the current Ordinance. No Minutes or notes from these meetings had ever been presented to the Planning Commission. Discussion included the relevance of "Town lands" versus "town land". Since Vicky Hay was leading the Ad Hoc committee it was decided to ask for her notes or have her come to a meeting to relay the results of the Ad Hoc committee findings. Larry made a motion that we table this until a future meeting, Janice 2nd and all were in favor.

Discussion of Sign Permit Criteria was postponed until the next meeting.

Year of 2015 in Review:

Several items that the Plan Commission had considered were presented. Janice and Susan will meet to put a final version of the Review together before the Town Meeting on Dec. 8th.

Larry made a motion to adjourn the meeting, Joni 2nd, all were in favor and the meeting was adjourned at 8:25 pm.

A January Planning Commission meeting is not scheduled at this time.

Respectfully submitted,
Susan Keachie
