

**Planning Commission Special Meeting
July 10th, 7:00 pm Community Center**

Commission Members:

Matt Lazorik, Susan Keachie, Larry Chernoff, and Joni Vaughn.

No Members of the Public were present.

The Special Meeting was called to review two permit applications to Bayfield County Planning and Zoning that had come before the Town for approval:

The first permit was for a seasonal structure to be built off County Road C on a parcel that is zoned agricultural requiring Town approval. The parcel is 10.23 acres and the structure proposed would be 30'x 24'. Susan made a motion that the Planning Commission recommend that the Town Board approve the permit request, Larry 2nd. The Town Board had approved the permit at the Tuesday Town Board meeting pending the recommendation of the Planning Commission. All present were in favor of the motion.

The second permit was a Short Term Rental Permit application to Bayfield County Planning and Zoning from Roger and Nancy Lindgren for their property on Romans Point Rd. The Short Term Rental Criteria created by the Planning Commission in 2011 was reviewed. Susan will send out a letter to adjacent property owners notifying them of the permit request and allowing 10 days for them to communicate any objections. She will send a draft letter to Matt for approval.

Susan made a motion to adjourn, Matt said Okey Dokey, Joni 2nd, and the motion was approved. The meeting was adjourned at 7:35 pm.

Respectfully submitted,
Susan Keachie
Secretary

There next regular meeting will be August 7th at 7:00 pm at the Community Center.
