Recycling Center

There will be a shredding event at the recycle center on Dec 5 at 09:00-10:00. Confidential Records Inc. will be on site and will accept up to 3 boxes/bags per person. About 100 lbs will be shredded for free. The following items cannot be shredded: black butterfly clips, hanging file folders, 3-ring binders, hard drives, magnetic tapes, any plastic items. The Recycle Center will open early at 09:00 so that folks can take care of other business on the same trip.

The center appears to be on track to cover most of its expenses through user fees and grants. We negotiated some more favorable contracts with our vendors this year, so I don't foresee any significant changes in the fee structure.

With the increases in Covid infections in our area I want to thank everyone for wearing a mask and maintaining social distance at the center, together we will get through this. That didn't sound right, it should be: apart we will get through this.

Please let me know if you have any special needs or suggestions.

Thank you, Allen Hahn, 715-742-3855, tobsuper1@cornywi.org

Community Center

- Electrical work in the new exercise room is completed.
- Jolma Electric will work on the Christmas Lighting outlets and a couple of other projects starting Nov. 9th.
- Paper from the archives and records room is scheduled for the shredding to be done Dec. 5th.
- A list of inside work and outside work for the future is being prepared.
- New refrigeration is being investigated for the Main Room Kitchen.
- The Walk-in will need to be removed. How to best do that is being researched.
- LED light fixtures will be the replacements for present lighting.
- Any and all ideas for improvements for the CC are welcomed and should be forwarded to me or Roger.
- New cell phone number for CC Manager is 715-209-1349 and email is tobccmgr@cornywi.org.
- Please be reminded to check the calendar for any reservations for meetings or events so there are not conflicts.
- Handyman help is still needed for various small projects.

Library

The TOB Library Board met by Zoom in October to consider re-opening the library. After the board's discussion, due to COVID in our area no action was taken to re-open.

The TOB Library Board will meet in November 2020 to address possible changes in the library status.

Sincerely, Phil Moye, Chairperson

Website

Not much to report on the website. I was made aware of some gaps in the digital records and am working to fix them. Feedback on function and design is always appreciated and can be emailed to tobadmin1@cornywi.org. Thanks to the board for reviewing the October minutes promptly so they could be distributed to the public via email.
